

### REMARKS

In the Official Action, the Examiner has rejected the Claims on the basis of Double Patenting.  
The attached Terminal Disclaimer of all of the claims is believed to obviate this rejection.

Attached to the Terminal Disclaimer is a copy of the assignment and recordation of the chain of title to Penn Fishing Tackle Manufacturing Company (a small entity).

Enclosed is a credit card form for \$55.00. If any further fees are required, please charge the undersigned attorney's account 02-3295 under order number 6986-20058.

In response to the request to submit drawing corrections, attached is an Annotated Marked-up Drawing showing a correction to a number on Figure 3.

A complete set for formal drawings as corrected is attached. It is respectfully requested that this new set of drawings be substituted for the drawings as filed (copies attached).

Accordingly, reconsideration of the application, as amended, is respectfully requested as is an early notice passing the case to issue.

Respectfully submitted,  
Peter T. Datcuk, Jr.
